

*The ARTOS Fencing Piste
patented & very light...*

Since 2000 used by many national and international tournaments (e.g. by the Olympic Games 2004 in Athens, 2005 Fencing World Championships in Leipzig).

*Weight only 24.5 kg (before approx 70 kg)
12 pistes = 294 kg instead of 840 kg
Size: 17m x 1,5 m*

*5 min set up time (before approx 30 min)
unroll and fix at the ends with firm tape
12 pistes = 60 min instead of 6 hours*

*To lay on all clean sport linings and on carpet
or stone floor with additional special fleece.*

By the fencing federation (FIE) officially licensed.

Advantages:

- transportation expenditure - minimal*
- tape consumption - minimal*
- maintenance costs - minimal*
- accessories - not needed*
- storage costs - minimal*

Suitable accessories and further pistes available.
